SEVNTN:04 — Guide for Claude

SEVNTN:04 — Brand & Content Handover

Give this to the AI building SEVNTN:04's content team and management team. Everything here is already made and ready to use.

The business
- Store: SEVNTN:04, https://sevntn04.com (Shopify, Basic plan, ZAR, Cape Town, South Africa)
- Sells women's jelly/clear handbags and jelly kitten-heel thong sandals.
- Stock is sourced from China (supplier shipping paid in RMB).
- Free shipping in South Africa. Flat R310 international shipping (28 countries). Prices include VAT.
- Store email: SEVENTN04@outlook.com
- Launch: the "17:04 Drop", Wed 4 Nov 2026 at 17:04 (South Africa time).

Products and prices
- The Duality: R1,299 (clear croc-flap handbags)
- Croc Effect: R1,600
- MIXD: R1,799 (marketing price; Shopify may still show R1,499 until the owner updates it)
- Merveille: Small R499, Big R699
- The Muse (kitten-heel thong sandals): R299. The Muse Blue is an intentional PRE-ORDER (sells at 0 stock).

Brand rules (must follow)
1. Use the owner's ORIGINAL product photos only (folder 08). No edits: no cut-outs, effects, recolouring or AI changes. Edited images mislead buyers. Only cropping and minimal text are allowed.
2. Text never sits on a product, and products are never cropped off.
3. Nothing is posted, sent or changed without the owner's approval. The owner posts to Instagram personally.
4. Keep messages to the owner short and copy-paste ready. Long multi-step processes stress the owner.
5. The owner uses a phone and can't open zip files: send finished content as single images, videos or one PDF with captions underneath.

What's in this file
- 00-Teaser: teaser posts, story and teaser reel for the 17:04 Drop
- 01-The-Duality, 02-The-MIXD, 04-Merveille, 05-The-Muse: feed posts. Each comes in a "-price" and "-no-price" version.

SEVNTN:04 — Guide for Claude

- 06-Brand-Tiles: brand post
- 07-Reels: four Reels (R1 MIXD behind the scenes, R2 MIXD print roll, R3 Croc colour roll, R4 Duality colour roll) plus reels-plan.md
- Stories: countdown stories for Sun 1 Nov (3 days), Mon 2 Nov (2 days), Tue 3 Nov (1 day), Wed 4 Nov (tonight), a this-or-that colour poll, a contact story, and stories-notes.md
- 08-Original-Product-Photos: the owner's untouched product photos
- CAPTIONS.md: the caption for every post, and the suggested posting order
- SEVNTN04-Instagram-Posts.pdf: phone-friendly PDF of all price posts with captions
- overview.png: contact sheet of the whole pack

Still open

- The MIXD red, white and blue print has no original photo yet, so it's not in the MIXD group post.
- The owner still needs to approve the Stories, the final posts and which Reels to use.
